STEAMER TORPEDOED

BY GERMAN SUBMARINE LIVERPOOL, February 20 (11:20 P. M.) .- Without warning, a German submarine terpedoed the British steamer Cambank a few miles east of Linas Point, in the Irish Sea, about 11 o'clock to-day. The explosion killed the third engineer and two firemen. Another nember of the crew was drowned in an attempt to jump into a boat. remainder of the crew and the pilot,

twenty in all, were saved, One of the men, in describing the experience of the Cambank, said: "We were bound from Huelva, Spain, for Liverpool with a cargo of copper. When outside of Amlwch, on the north coast of Wales, we took aboard a pilot. We had gathered speed when The engines were reing, the submarine discharged a tor-

"We launched the lifeboats and managed to pull clear before the Cam-We had no time to save anything, and most of us were scantily lothed and much exhausted when boat took us in charge and towed us into Amlweh harbor.

A steamer which has arrived here reported that she had been warned by the Cambank that there was a sub-marine in the vicinity. She at once put on full steam, and, being a speedy vessel, reached port safely.

NORWEGIAN STEAMER HITS MINE AND SINKS

NAKSKOV, DENMARK, February 20 (via London).—The Norwegian steamer Bjarka struck a mine at 8 o'clock this morning and sank. Her crew was This is the second disaster to Norwegian vessels since the German sea zone decree took effect.

The Bjarka, laden with coal, was on her way from Leith to Nakskov.

GERMANS BADLY BEATEN AT OSSOWETZ FORTRESS

PETROGRAD, February 20 (via London, 9:15 P. M.).—The German forces have been badly beaten at the fortress of Lomasea, in Russian Poland, after a stubborn artillery battle, according to a telegram from the Russian general staff to a high personage here. Germans are reported to have suffered heavy losses, and now are retreating to the East Prussian frontier

WHAT WARRING NATIONS CLAIM IN THEIR OFFICIAL STATEMENTS

PARIS, February 20 (via London).—The War Office to-day issued the following:

"In Belgium: The enemy bombarded Nieuport and the dunes. His batteries were effectively countered by ours. The Germans appear to have employed important forces in yesterday's attack against our trenches to the east of Ypres. After a heavy bombardment of our positions, the Germans attacked with the bayonet, but were repulsed, and our artillery held by its fire supported the first-line attack. The German losses were very high.

"From the Lys to the Oise, and ac-Bac, great artillery activity pre-

"It is confirmed that the enemy's losses in the campaign of the last few days have been considerable. According to a statement of prisoners, a battalion has been destroyed.

"On the heights of the Meuse, towards night yesterday, the enemy delivered his fourth counterattack against the trenches which we took at Les Eparges. This attack was beaten back, like the three preced-

"In the Vosges the enemy continued unsuccessfully his counterattacks on hill 607, south of Lusse. South of La Fecht the enemy succeeded in gaining a footing on the eastern spur. Fighting continues at this point, where we had an advanced post. Rain and snow are falling in the Vosges."

The following official statement was issued by the War Office to-

"In Belgium and along the whole front as far as and including Rheims, there have been cannonades and fusillades.

"Our action continues in the Champagne district under good conditions. We have repulsed several counterattacks and made fresh progress north of Perthes by occupying the wood which the enemy had strongly defended.

"In the Argonne there have been a few engagements of little import-At Les Eparges, southeast of Verdun, after having repulsed the sixth counterattack by the enemy, we delivered a fresh attack, enlarging and completing the progress realized yesterday. We took three guns, two mortars and 200 prisoners, including several officers.

'In the positions which we carried at Non we found the bodies of soldlers belonging to five different

German

BERLIN, February 20 (by wireless).—The official statement given out to-day by army headquarters

"In the western theatre of the war strong French forces yesterday attacked the German positions in the Perthes and to the north of Les All attempts to break through the German lines, however, failed. In some places the enemy entered into the advanced German trenches, where fighting still continues. Otherwise the enemy was

repulsed and suffered heavy losses. "To the north of Verdun, a French attack also was repulsed. Near Combres, preparations for renewed French attacks were made by vio-

lent artillery bombardment. Fighting still continues in the Vosges. The Germans stormed the enemy's main positions of two kilo-Sulzern, and also on Reichackerkopf. to the west of Maenster. A battle for possession of the height to the of Muchbach is going on. Metzerland and Sandernach have been occupied by the Germans after

district to the northwest of Grodno and to the north of Suwalki, there has been no important change

To the southeast of Kolno the enemy has been driven back into his advanced position of Lomza.

"South of Myszyniec, northeast of Prezasnysz, and east of Racionz, there have been engagements of a local character. From the south of the Vistula there is nothing new to

Virginia is one of the city to feed, clothe and more or less? Can any one swidth and the fact that they would have to leave to live differently. Not one of these recatures could hope to get to herself one dollar, except the keepers of these houses who have lived off of the use of these miserable, unfolded, unshod, disease-heset worms of the earth. If they are violators of the made exceptions in that they are not to the Mayor of this city.

The commission was appointed to gat to herself one dollar, except the keepers of these houses who have lived off of the use of these miserable, unfolded, unshod, disease-heset worms of the was abody, it shall make misleading and untrue statements to the Mayor of this city.

The commission made certain suggestions asked for in its appointment, based upon the information it has gestions asked for in its appointment, based upon the information it has upon the city to feed, clothe and house them.

Commission Parelle facts that they would have to leave to live differently. Not one of these miserable to get to herself one dollar, except the keepers of these houses who have lived off off the use of these miserable, unfolded to get to herself one of the earth. If they are to be called upon to earn their living li

and other charity organizations in helping the women of that city when the segregated district was closed there, and secured the promise of the

League co-operated with the commission in efforts to see that no woman who had been an immate of the district should be allowed to suffer. An appeal was made for clothing and money in order to supply the wants of any who might be found in need, and sixty or seventy such women have been helped in various ways.

mond. Brezzle and Ross were dismissed in Police Court yesterday morning, and the two suspects held in Alexandria have also been released. Descriptions of the robbers and the story told by the messengers, the detectives said, caused suspicion to rest upon Chambliss and Williams. It was only a matter of time before they were

in various ways.

Fifth The commission telegraphed Dr. Kate Waller Barrett, president of the National Florence Crittenton Mission, for an expert worker, who came as speedily as possible to our aid after the closing of the district. The women of the Social Service Federation action of the Social Service Federation actions and the truth was learned.

Only a matter of time oct.

Detectives Reynolds and Henry Cannaday were at Acquia Creek in less than an hour's time after the supposed robbery was reported, and the case at the Richmond end was worked by Special Officers August Raub and of the Social Service Federation ac-companied an expert through the dis-trict and personally offered assistance to every one of these women found in the houses, and all of them who have shown a desire to work have been or will be given employment. Every one

CHAMBLISS AND

WILLIAMS CONFESS

(Continued from First Page.) be charged with crime. Chambliss became frightened after he split the safe open in order to get out his papers, and, thinking to save himself even from suspicion, hurled it from the car. Williams, to save his friend, agreed to tell the same story. At first he was disinclined to tell the robbery tale, but changed his mind when Chambliss aroused him from his sleep and asked that he be borne out in the tale he had prepared to tell. Both men express regret for their act.

The safe breaking occurred on Thursday night near Acquia Creek, what consolation they can in knowing burg, but no mention was made of it about ten miles north of Fredericks until John N. Lumpkin, a local mes and mislead as a means to their ends. senger, opened the ear in the Byrd

who would do so. To those that the committee did not see, the Chief of Police sent a message conveying this offer of assistance.

Second. Two members of the commission visited Washington city two weeks before the report was made and gathered information as to methods used by the Florence Crittenton Home and other charity organizations in S. C.

the segregated district was closed there, and secured the promise of the Florence Crittenton Mission to send an expert worker to us when such a worker was needed.

Third. Immediately on the close of the district the Chief of Police was notified that any women who, after investigation by him, was found to have a home, or who, in his opinion, could secure honorable employment elsewhere, would be offered transportation, and twenty-five or thirty women, on the recommendation of the Chief of Police, were given transportation to their homes. The commission borrowed money with which to buy such transportation.

At first he stuck to the story that he and Chambliss had been held up by bandits ridding on the side steps of the express car, but the tale was ridiculed, and when it was impressed upon him that he account was hardly plausible, that the account was hardly plausible, that the econfessed. Chambliss was confronted with Williams's confession, and readily yielded to the entreaty that he tell the truth.

GAVE ELAHORATE

DESCRIPTION OF ROBBERS

The two messengers gave elaborate descriptions of the robbers, and a pedescriptions of the robbers, and a pedescriptions of the robbers, and a pedescriptions of the robbers.

were given transportation to their homes. The commission borrowed money with which to buy such transportation.

WOMEN'S ORGANIZATIONS
HAVE CO-OPERATED
